

Guest Speaker:

Rev. Debra Sutton

When Debra is not busy with her dissertation for her Doctorate, she is sharing time with her daughter Erin, organizing ABC Camping Institute meetings, providing leadership for retreat groups like the New York Youth Retreat recently and so much more. She shares some insights regarding our retreat theme; "Being Real" in Your world..

Being Real!

Someone once said that the experiences we go through in life shape us - the good, the bad and the ugly. If that's so, then how are we looking - to ourselves, to each other, to God?! What does it mean to Be Real when, if we really did this, we might be rejected? It takes guts to be real. It also takes faith! Come on, let's show the world who God really is by first looking at ourselves and the people God loves - the good, the bad and the ugly! We'll have fun using a mixture of different activities, to teach and learn from one another, as we celebrate being real, and *really being* God's chosen ones!
