#### VOTING CHURCH DELEGATES:

During the business session at on Saturday morning, region officers, board and commission members will be elected, and various reports will be received. While congregations may have an unlimited number of persons participate in the annual meeting, the number of voting delegates is established by the ABC/WI Articles of Incorporation. (Article VIII, Section 2).

*“Voting delegates shall consist of: Two members from each church and an additional delegate for each fifty members, or any major fraction of fifty, above the first one hundred.”*

Furthermore, voting delegates must be from congregations that meet the five common criteria for a cooperating church as outlined in the Covenant of Relationships with ABCUSA, and must pay the \$25 registration fee as noted in Article XII, Section 7 of the ABC/WI Bylaws. Contact the office if you have questions on whether or not your church has abided by the five common criteria for cooperating churches.

To minimize discrepancies, each church should select and notify your delegates according to your own procedures. Official voting church delegates should *then* note their delegate status on their registration form and complete their registration by September 6. Churches who have questions about this or would like to email a list of delegates in advance, please email [Betsy.K@abcofwi.org](mailto:Betsy.K@abcofwi.org) by September 28.

Any same-day registrants identifying themselves as voting delegates from your church will be accepted on a first-come, first-accepted basis.
