

2019 AMERICAN BAPTIST MISSION GIVING REPORT FOR ABC WISCONSIN

“American Baptists acknowledge that God’s family extends beyond our local churches, and that God calls us to cooperative ministries. Early Baptists saw that the effectiveness of their ministries would be greater through cooperation with other believers.”¹ Over the past several years, here in ABC Wisconsin we have been fostering a redefinition to this age-old Baptist characteristic by renewing synergy among our churches and ministers and between our churches and our regional and denominational ministries. Through this annual report we want to particularly acknowledge those churches that have exemplified cooperative ministries in 2019 through their mission giving. We acknowledge that churches are facing diminishing funds for ongoing ministries and mission work, yet the Holy Spirit is creatively working among us to keep our efforts going.

On behalf of the whole extended ABC family, your ABC/WI Region Staff and Board of Managers say,
 “Thank you” to the following churches who have given to American Baptist mission—locally, regionally, nationally, and/or globally:
