Dear Prospective Nominee to the Commission on Congregational Mission,

You've been identified as a person with the gifts, experience, and perspective to make a valuable contribution to God's work through the ABC WI Commission on Congregational Mission. The Commission on Congregational Mission plays an important role promoting Christian education, campus ministry, evangelism, church growth, mission service, social justice and stewardship education. Will you please pray about this opportunity? A year ago, three primary factors compelled me to say "Yes!" to the nomination for President of ABC WI.

- **Unique resources and potential.** Our region is a covenanting partnership of 60 congregations, united in American Baptist mission yet diverse in terms of theological commitments and contexts for ministry. It also represents a rich ethnic and cultural heritage which includes African American, Chin, Karen, Hispanic, Native American, Chinese, and Euro-American congregations. The board is also diverse, and we affirm our diversity of culture, gender, and theological perspectives as gifts for ministry.
- **Dynamic regional leadership.** Our region is served by Executive Minister Dr. Marie Onwubuariri. She came to us six years ago with deep roots in our American Baptist family and a Christ-centered vision. She has demonstrated a solid commitment to the health and dynamism of our region: she has cultivated relationships and built trust; she enabled us to create a new system of governance that is more focused and more flexible; and she's working with the board to ensure that our regional staff has the tools and training they need to address today's needs and tomorrow's possibilities.
- **Organizational Health.** By God's grace, ABC WI is healthy and gaining strength. Thanks to the generosity and sacrifices of American Baptists in this and previous generations, we're blessed with many resources. We must steward those resources wisely. We work hard to plan board meetings that build strong relationships so we can be focused, productive, and joyful.

One more reason to consider serving is apparent to me now, after serving for a year as President of the board.

- **An exciting new season is beginning.** Dr. Onwubuariri has spoken of "the Cycle of Gospel Living – sacrifice and redemption; powerlessness and powerfulness; letting go and receiving anew." Those of us serving on the board sense that we're entering a *kairos* moment. These times cry out for reconciliation, transformation, and justice on all levels of human interaction and aspects of creation, led by faith communities relying continually upon the purpose found in Christ and the power of the Holy Spirit.

If the Lord is leading you to be a part of this next chapter of ministry, we will welcome you warmly and support you in making a vital contribution to our work. That work began in 1844. Still today, the need is great.

2017-2020 Vision

“Together Living Faithfully through Christ Today”

Ephesians 3:18-19

“I pray that you may have the power to comprehend, with all the saints, what is the breadth and length and height and depth, and to know the love of Christ that surpasses knowledge, so that you may be filled with all the fullness of God.” NRSV

“And I ask him that with both feet planted firmly on love, you’ll be able to take in with all followers of Jesus the extravagant dimensions of Christ’s love. Reach out and experience the breadth! Test its length! Plumb the depths! Rise to the heights! Live full lives, full in the fullness of God.” The Message

**AMERICAN BAPTIST CHURCHES OF WISCONSIN
CONFLICT OF INTEREST POLICY**

POLICY: It is the policy of American Baptist Churches of Wisconsin (“ABCW”) that all Officers and members of the Board of Managers, Commissions, and Committees (collectively, including Officers, “Member”) shall scrupulously avoid any conflict between their own respective individual interests and the interests of ABCW in any and all actions taken by them on behalf of ABCW. Such individuals shall not use their position of leadership to give enhanced, or unfair, advantage to business relationships, to further their own personal interests or that of any related interested individual or organization.

In particular Members shall avoid transactions with ABCW in which they have a personal direct or indirect financial interest or in which they are shareholders, members, partners, officers or directors of an entity contracting with ABCW.

In the event that any such Member or a member of such person’s immediate family has such a potential conflict of interest, that person shall promptly disclose the material facts of such conflict or transaction to the Board of Managers as a matter of record.

When any such conflict of interest becomes relevant to any subject requiring action by the Board of Managers or any of its Commissions or Committees, such Member having a conflict shall not vote on the subject with respect to which the conflict of interest exists, shall not attempt to influence the vote of any other Member, and shall not be counted in determining the quorum for dealing with such subject. A Member who is excluded from voting because of such conflict of interest shall briefly state the nature of the conflict and answer pertinent questions of other Members when such Member’s knowledge of the subject will assist the Board, Commission, or Committee.

After such disclosure is made and the Board, Commission, or committee has had the opportunity to ask pertinent questions, a vote should be taken with the action carried by a majority of disinterested Members, who must constitute a quorum. Minutes of the meeting shall reflect that such disclosure has been made, that such Member abstained from voting and that the Member was not counted in determining the quorum for addressing such subject.

PURPOSE: The purpose of this conflict of interest policy is to protect ABCW’s interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an individual in a decision-making capacity within ABCW. This policy is intended to supplement but not replace state laws governing conflicts of interest applicable to ABCW.
