

Wyocena Community Church

WYOCENA, WI

The Wyocena Community Church has been established since 1853 and has and will continue to be at a light and a witness to the community of Wyocena and to the world. To God be the glory. God has blessed His Church in so many ways and continues to do so today. The Wyocena Community Church may be small in size compared to other American Baptist Churches in Wisconsin, but we remain faithful, available, and teachable. We hold fourth the Word of God. "A light to our feet and a lamp for our path."

We believe in the Great Commission: "Then Jesus came to them and said, 'All authority in heaven and on earth has been given to me. Therefore, go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely, I am with you always, to the very end of the age.'" Matthew 28:18-20 (NIV), and the Great Commandment: "A new command I give you: Love one another. As I have loved you, so you must love one another. By this all men will know that you are my disciples, if you love one another." John 13:34-35 (NIV). We use all our resources to support each other, and we stand behind and support many of the ministries of the American Baptist Churches of Wisconsin. To God be the glory.

The ministries of Wyocena Community Church involves giving personal care to people in our community and outside of the community. We offer biblical counseling through pastoral care. We participate heavily with the Ministerial of Pardeeville Community by taking part in every ecumenical service that is made available to us. In addition, a lot of our men who have musical talents in our church participate in a group called Gospeliers. We have used our musical talents to sing in nursing homes every other week. Many of our members participate in a food pantry, and we continue with the Backpack Ministry, (making weekend meals available for at risk children in the elementary school in Pardeeville.)

We continue, of course, to have our regular morning worship, and praise our Wednesday night Bible study and prayer. We've started a prayer study group to learn how to pray and develop prayer life more proficiently.

As a pastor of this church my vision is that we would stay spiritually young, scrappy, and hungry for the experience of revival; that we would always be thirsty for more of a walk-in relationship with our God, and that we would live a life of radical faith by experiencing every aspect of salvation that Jesus won for us, being full of power in Christ-likeness and walking in the radical ministry of the Holy Spirit.
