United in Christ, Together in Mission

REV. MINDI WELTON-MITCHELL

EXECUTIVE MINISTER

Dear American Baptist Churches of Wisconsin,

I invite your congregation to consider including us in your budget for 2024, and if you are already doing so, consider an increase, or a one-time special offering for the year. As of November 15, 2023, 29 of our 58 churches have participated in United Mission giving this year. We are hoping to increase participation along with giving, so if this is your congregation's first time giving to United Mission, we are glad you are joining in this ministry together. We hope to reach 100% of our congregations participating in the work of Christ here in Wisconsin and around the world.
